They have found two infections which are making it harder on him. He is has also been put back onto the other breathing machine. The nurse said he will have good and bad days, we just don't want him to give up. Jeanne said she told him all his Ham friends from around the world are waiting to hear him on the radio and this put a big smile on his face. We are hoping that he will gain some strength so as he can perhaps be able to write....."

Also, INDEXA has established the "ZL1AMO Air Ambulance Fund" to assist Ron and his family with the cost of air evacuating him from Fiji to Auckland, New Zealand. The details are in the following news release.

### ZL1AMO Air Ambulance Fund

On November 15th, the amateur radio community received word that well-known DXer, Ron Wright, ZL1AMO, fell ill in Fiji while on a DXpedition that included C2, Nauru. Ron was admitted to the Lautoka hospital where he was diagnosed with pneumonia and collapsed lungs. He was placed on life support and a few days later an air ambulance was dispatched from New Zealand to transport him back to New Zealand where he remains on life support in the critical care unit of the Auckland hospital.

Ron has no medical insurance and the cost of the emergency air ambulance is \$40,000 NZD or approximately \$20,000 USD. A ZL1AMO Air Ambulance Fund has been established by the International DX Association (INDEXA) to assist the Wright family with expenses incurred during Ron's most recent DXpedition.

If you would like to contribute, please make checks out to INDEXA with a notation "For ZL1AMO Air Ambulance Fund" on the "For" line at the bottom of the check. Please mail your contributions to:

The ZL1AMO Air Ambulance Fund  
c/o Bill Jennings, W4UNP  
Secretary-Treasurer, INDEXA  
P. O. Box 607  
Rock Hill, SC 29731

Contributions to this fund are not tax deductible.

Ron's family assures the DX community that they have his log book from Fiji where he was operating as 3D2RW and, in time, all QSL cards will be processed.

The Wright family appreciates the prayers and support of long-time = friends and they hope that friendships recently established will = continue in the future.

Judy, AA7UC, states, "I will continue to forward more updates as they become available."

Excerpts and distribution of The OPDX Bulletin are granted as long as KB8NW/OPDX/BARF80 receive credit. To contribute DX info, call BARF-80 BBS online at 440-237-8208 28.8k/14400/9600/2400/1200 and leave a message with the Sysop or send via InterNet Mail to: kb8nw@barf80.nshore.org

- OR -

Use the VOICE or FAX answering machine at 440-237-8208 which shares the same phone line as BARF-80 BBS using a data/fax/phone switch. To access:  
1) Dial Number. 2) Wait for first ring (the second ring should be a false ring from the fax/data switch box) and then dial four quick ones ("1111").  
(NOTE: Some FAX machines that send single "BEEPS" every second will not have to do this step.) 3) The phone will pick up and after the "BEEP" leave your voice message or FAX.
